

PRESENTS

# HER

BONES TODAY. STRENGTH TOMORROW.

**TENTATIVE  
OCTOBER 2026**

**BECAUSE HER STRENGTH  
BUILDS GENERATIONS.**

**MULTISPECIALTY FRATERNITIES  
ACROSS INDIA & ASIA PACIFIC  
ARE PART OF THIS GUIDELINE CREATION**

Bringing together the collective expertise and diverse perspectives of leading professionals from across disciplines and regions to develop comprehensive, practical and evidence-based guidelines.

**UNITED EXPERTISE.  
STRONGER GUIDELINES.  
BETTER OUTCOMES. FOR EVERY HER.**

## **FIRST TIME IN INDIA GUIDELINE ON FRAGILITY FRACTURES**

Developed jointly by leading experts from

Orthopaedics • Endocrinology • Rheumatology • Geriatrics •  
Obstetrics & Gynaecology • Internal Medicine • Rehabilitation •  
Radiology and Asia-Pacific collaborators.

We are curating evidence-based, practical, and patient-centric guidelines to empower clinicians in delivering the best care for osteoporosis.

- ✓ Risk Assessment
- ✓ Diagnosis & Evaluation
- ✓ Pharmacological Management
- ✓ Lifestyle & Nutritional Strategies
- ✓ Monitoring & Follow-up
- ✓ Special Considerations

Guidelines today.  
Stronger women tomorrow.  
A fracture-free future,  
for every HER.
